

Live Tourney Tips

Accessing Your Scorecard

There are multiple ways to find your mobile scorecard:

- Scan the QR card on your paper scorecard.
- Click on the link from your tee/pairings email.
- Type in the web address found on your paper scorecard

Once the scorecard is located. Verify player or team name.

Entering Scores

- Designate one person to enter scores for your foursome using Live Tourney AND one person to enter scores on a paper scorecard.
- Enter the scorekeeper code found on your scorecard. It is also in pairing email.
- Locate your starting hole. You can tap the hole number to jump to your starting hole or use the arrows to advance to your starting hole.

Enter GROSS score(s) into the box for each hole --*Live Tourney will adjust scores for the game*

- Individual play- enter the gross score for each player on each hole
- Scrambles - one gross score for the team will be entered on each hole
- Team play - enter the gross score for each player

During Your Round

- Leaderboard - can see current standings
- If flighted event, can click to see all or specific flight
- Click on individual name to see players live scorecard, click again to hide
