

## **HCLGA Hole in One Club**

The Harbor Club Golf Shop offers LGA members the option to join the Women's Hole in One Club (HOC). Members agree to a \$5 charge to their account each time an LGA member makes a hole in one.

The HOC is managed by the Pro Shop. Participation is selected on the registration form; to cancel, notify the Pro Shop.

The player who makes a hole in one receives Clubhouse credit (restaurant or Pro Shop) equal to the total HOC kitty, based on the number of participating members.

### **Hole in One Requirements:**

- Occurs during a 9- or 18-hole scored round
- Played from a standard tee (Red, Pink, Gold, White, or Blue)
- Witnessed
- Made at Harbor Club
- Does not need to occur on an LGA play day

Players must present a signed scorecard (player and witness) to the Pro Shop.
